December 2023

Dear Parent or Guardian,

Every 2 years, the Missouri Department of Elementary and Secondary Education, in conjunction with the Missouri Department of Mental Health and the Division of Behavioral Health, conducts a survey on students in grades 6-12 in public education in Missouri. This survey is completely optional and includes questions on alcohol, tobacco, and drug use. The survey may also ask questions about other behaviors that endanger health and safety. You can view the survey on the Missouri Department of Mental Health website at <https://dmh.mo.gov/alcohol-drug/missouri-student-survey>

All students in grades 6-8 will participate in this survey unless you choose for your child to **NOT** participate. Please sign below and return only if you do **NOT WANT YOUR CHILD TO PARTICIPATE**.

Sincerely,
Mrs. Rebecca Lohr
JEB School Counselor
